JOB#	DATE	PO/REF#	DESCRIPTION
20163	07/09/2024		Lost power to front entrance. Need troubleshoot. Completion Notes: Found burned up and stuck wire in UG pipe. Laid out fix on ground to verify that was the only issue. Made materials list and got approval from Dan to just put us on the schedule to come back and fix it— no estimate needed. Dan Clifford called and said the president told him they will need a quote to do work. Sending Quote.
